

Epistemology of Religious Beliefs

INTERNATIONAL CENTER
FOR FORMAL ONTOLOGY

IVth God-Oriented Conference
Epistemology of Religious Beliefs
Warsaw, Poland, 20-21 September 2016

High quality papers within any area of epistemology of religious beliefs (e.g., rationality, arationality, irrationality, knowledge, disagreement, and so on) are welcome. Speakers will have the option of having their papers published in the post-conference proceedings (probably, De Gruyter publishing house). There is a registration fee of 150,00 Euro from all conference participants. Students are exempted from the conference fee. All speakers will have accommodation (four overnight stays) and meals (on three days) provided. Thanks to everyone who joins the conference!
